

Veoneer Suppliers Basware e-invoices

Anca Pop
Team Leader – SGA-IT

veoneer

Two options

How to send your e-invoices to Veoneer ?

**EDI
invoices**

Preferred option

- No Basware registration needed
- Many file formats supported

**PDF
invoices**

4 Steps

1. Create your Basware account
2. Fill in your company details
3. Add e-mail address(es)
4. Start sending pdf-invoices

EDI invoices

Easy and quick

- No Basware registration required
- Just send your invoices to the **e-Invoice Address** corresponding to the proper Veoneer Company Unit
 - See table on the right →
- Basware e-Invoice service supports as a default the following invoice file formats:
 - TEAPPS XML, EHF, Finvoice, E2B and OIOUBL, OIOXML, Svefaktura, cXML, and CENBII v2 Peppol BIS

Veoneer Company Unit	e-Invoice Address
Veoneer Sweden Safety Systems AB	SE559396632701
Veoneer France Safety Systems SAS	FR06949943211
Veoneer Germany Safety Systems GmbH	DE360986027
Veoneer Romania Safety Systems S.R.L	RO47935295

PDF invoices

STEP 1 : Create your Basware account

- Open the registration link
<https://portal.basware.com/open/Veoneer>
- Select “Send PDF invoices by email” option
- Enter email and choose a password
- Click on the confirmation email in your inbox received from Basware

STEP 1 : Create an account

▼ Pick a free service and start sending e-invoices

Send PDF invoices by email

Create PDF invoices with your billing system and send them to Basware by email. Our service converts the PDFs to your customer's preferred, electronic format and delivers them instantly.

PDF invoices

STEP 2 : Fill in your company details

- Enter your company [Basic details](#)
- All the fields with [*] are mandatory and must be filled in
- Make sure there are no red exclamation points [!] left on your screen, otherwise your registration will not be completed

STEP 2 : Company details

Check the information we already have on your company and fill in any missing information.

Basic details *

Registration country *

Sweden

Organisationsnummer (Sweden) *

Mandatory value missing

Registered company name *

Mandatory value missing

Company trade name

Address Line 1 *

Mandatory value missing

PDF invoices

STEP 3 : Add email address(es)

- Enter the email address that you will use to send pdf invoices
- Make sure you click on the confirmation email that you received from Basware for all the addresses added
- Status for the addresses must be **“Confirmed”**, otherwise the invoices will be rejected by Basware

STEP 3 : Email address

PDF e-Invoice

Company Details > **Service Settings** > Instructions

Customize the way the service works

▼ **Email addresses for invoicing ***

Enter the email address(es) from which you will send invoices to your customers. The service rejects invoices sent from addresses other than the ones listed below.

████████████████████	Confirmed
----------------------	-----------

[Add new email address](#)

PDF invoices

STEP 3 : Add email address(es)

- Email invoices the same way you did until now, only change the address to:
xxxxxxxxx@email.basware.com
- Choose from the list the appropriate email address
- Make sure you remove the old invoicing email address from your system in order to avoid duplicate records in our system

STEP 4 : Send .pdf invoices

Veoneer Company Unit	Email address
Veoneer Sweden Safety Systems AB	SVD-Invoices@email.basware.com
Veoneer France Safety Systems SAS	VeoneerSafety.France@email.basware.com
Veoneer Germany Safety Systems GmbH	VeoneerSafety.Germany@email.basware.com
Veoneer Romania Safety Systems S.R.L	VeoneerSafety.Romania@email.basware.com
