

New Windchill PLM First Time Access

Training for Suppliers
Arnaud Soret

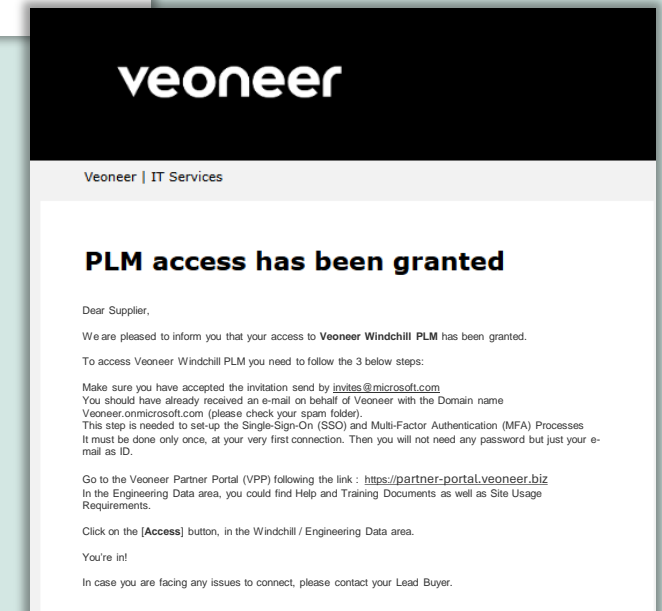

Invitation & PLM Access

- Veoneer Team already identified several Supplier Users for each supplier.
1. Supplier Users should have received an invitation from invites@microsoft.com
 - This 1st step is required to set-up your profile in our **Access Management System**.
 - You can then define your preferred authentication method (phone, ...) for MFA.
 - If you don't have any invitation, **Check your SPAM folder (!)** before contacting your Lead Buyer.
 - This Access Management System is used for both Windchill PLM and Supplier Profile
 2. Supplier Users will receive a 2nd e-mail from Veoneer IT Service Desk veoneer@service-now.com
 - To inform Supplier Users that **Access to Windchill PLM is granted**.
 - Then to access PLM, go to the VPP: <https://partner-portal.veoneer.biz>
 - Click **Access** button in the Windchill/Engineering Data area

1. Invitation sent from invites@microsoft.com

2. Mail from Veoneer IT veoneer@service-now.com

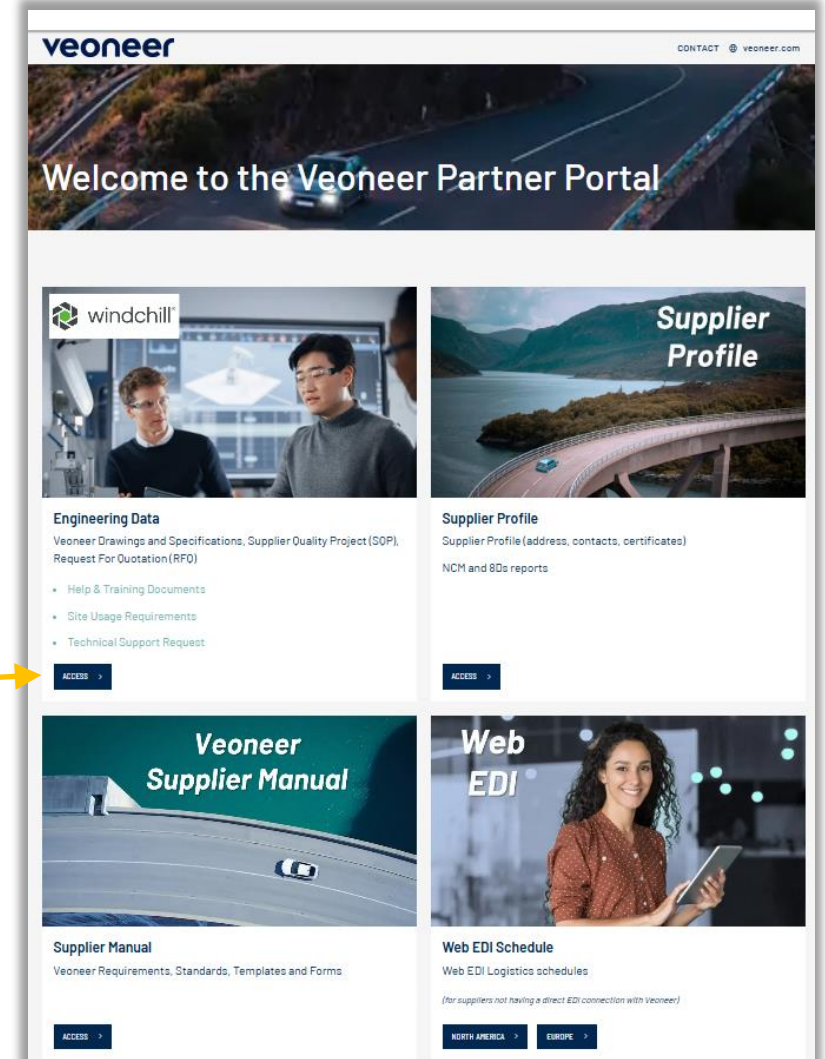

Access to Windchill PLM

- Go to the VPP website

New Veoneer Partner Portal

<https://partner-portal.veoneer.biz/>

- Click on **ACCESS** button

Additional Users

- By default, they are **3 accesses** granted per supplier ID
 - More accesses can be provided considering constraints or company size
- If more accesses are needed, please **contact your Lead Buyer**
 - Make sure that all the existing licenses are actually used
 - Provide reasons why you need more accounts
 - For each new Supplier User requested, please provide below details

Company ID	Company Name	First Name	Last Name	Email	Phone	Job Title	Role in PLM
550555 (Example)	Supplier XYZ	John	Doe	j.doe@XYZ.com	01 234 567 89	Quality Manager	SUPPLIER Quality
